

JSSA & SPARC

proudly present

A New Collaborative Program

“SPARC CONNECTS”

A program for individuals with developmental disabilities interested in exploring their potential.

SPARC CONNECTS offers:

Peer Mentoring

- Provided by local businesses and the disability employment community.

Self-Direction

- Social and life skills training.

Exploring Employment

- Basic vocational training to help you learn needed skills to secure meaningful employment.

Discovery, Assessment and Planning

- What's your passion?
- Setting goals

Family Engagement

- Support, guidance and education for you and family members to help you work together and maximize your vocational opportunities.

Personal Support Attendant Training

- A critical role in the community and workplace.

Where: McLean, VA or Reston, VA

When: Screenings begin August 11, 2014. Program begins: September/October 2014

Fee: Please call for fees
