We understand there will be a charge of \$60 per hour, with a minimum charge of \$30, for preparation of forms required for dossiers or forms, in general, required by my placing agency.

If we withdraw from the home study process, prior to the home study being completed, we understand that the fee for services rendered will be charged at \$100.00 per hour. This fee will include service time for interviews, travel, documentation and related services. (If we withdraw, or the agency determines it cannot complete the home study, we understand we will receive a refund if there is a difference between the total hourly bill and the initial home study fee paid at the time of application.)

We understand that if we request an update for a home study, prepared by Adoption Options, the fee for an update will be \$625; \$650 Hauge. In all cases where pre-placement counseling is provided to prospective adoptive parents, a fee of \$100 per hour (pro-rated) will be charged. These services may include the review of birthparent

medical/social background information; interviewing the birthparents' and discussing specific placement referrals with prospective adoptive families.

- ❖ We understand and agree that should fees for post-placement, updates, or court reports increase either before or during the time these services are being provided, we will be responsible for reimbursing Adoption Options/JSSA at the higher fee. If we have prepaid for these services, we understand and agree that we will be responsible for paying the difference between what had been paid and the new fee.
