

Give your child  
the best of...☆

### Brain research

Talk builds brains!  
Increase your knowledge  
of early language and  
brain development.

### Interaction and conversation

Learn strategies to increase  
interactive talk with your child.

### You!

Explore and build on your  
strengths as a caregiver.  
Make the most of the time  
you spend with your child!

Make every interaction count with FREE  
LENA Start classes!

LENA Start is a free 10-week  
early language program for  
families of children ages 0-3.

- Free on-site child care
- 10 free children's book
- Many more incentives
